PAGES 1**SUPPLEMENT****ORIGIN**

25X1X

1. There are ten seaplanes stationed on the east side of Port Arthur harbor. These planes are used night (?) and day for sea patrol.

2. At the Sanchienpao airfield (121-17, 38-55) there are 30 planes and 100 soldiers (nationality not stated) equipped with seven anti-aircraft guns.

(Note: [REDACTED] reported 25 fighters and 49 bombers.)

This field can be used for both land- and seaplanes. [REDACTED] Notes: This field is inland, but three of its sides are adjacent to rivers.)
